Subject - Non-Official President to the Malur Minor Municipal Council

*****

With reference to your letter No.L 6294, dated 23/1/1942, calling for a report on the above subject, I have the honour to state that certain irregularities in regard to the working of the Malur Municipality having been brought to the notice of Government by my predecessor in his Inspection Report of the Municipal Office for the year 1940-41, orders of Government were received in your letter No L 7243/M1 8-40-5, dated 9/4/1941, accompanied by a Notification No L 7194/M1 62-40-119, dated 9/4/1941, appointing the Amildar, Malur Taluk as Ex-Officio President of the said Municipal Council for setting right the affairs of the Municipality The Amildar of the Taluk was accordingly placed in charge of the Municipality with strict instructions to make every effort to improve its affairs.

The Municipal Council resolved at their meeting held on 31/5/1941 that Government be requested to restore the privilege of having a non-official President but as Government orders had been passed only a month and half back, and the interval was too short for any substantial improvement in the Municipal Administration being achieved, the Municipal Council were told that the reference was premature

From the statistical and other information received from the Amildar-President of the Municipality with his report No M L C 142/41-42 dated 17/1/1942 in regard to the several aspects of the adminstration of the Municipality, it will be seen that the position in the Municipality

P T O

has considerably improved from the date the Amildar took charge of it as President Its financial position has improved and the balance has risen up by Rs 2240-7-6, by the end of December 1941 as compared with the position at the end of December 1940, The collections under mohatarfa and Octroi, the two main sources of Municipal revenue, have also improved and the loans and liabilities of the Municipal Council which stood at Rs 4884-1-0, at the time of Inspection of the Municipal Office in March last have now been reduced to Rs 998-0-5 The Municipal Council have been permitted to pay this amount before the end of the currert year, There has been some improvement in other respects, also, such as, the disposal of the pending audit notes and the sorting of records of previous years and it may be confidently expected that the affairs of the Municipality have taken a course in the right direction and if the same policy were to continue there is no reason to apprehend its reversion to the condition which necessitated the withdrawal 9 months ago, of the privilege of having a non official President

In this connection, kind reference is invited to the penultimate para of my Predecessor's letter No A 5.C 1282/40-41, dated 27/2/1941, in which he had reported that the Malur Minor Municipal Council had done nothing to deserve the deprivation of the privilege already conceded to them by Government and that such a step might not also be in consonance with the general policy of Government, in matters relating to local self Government He had further recommended that the Municipal Council might be permitted to elect their own President under Section 10 (2) (c) of the Minor Municipalities Act and the Rules framed thereunder instead the existing system of the Government nominating the President under Section 10 (2) (a) of the said Act

The Minor Municipal Council of Malur deserve the privilege of a non official President and the Government may therefore be kind to accord sanction to their prayer represented to the Dewan during recent visit to Malur

The connected records are enclosed herein for favour of return and return The extracts from the discussions on an interpellation the subject at the recent session of the Representative Assembly

(October 1941) are also enclosed as desired in your letter under reference

The favour of early orders of Govemment is solicited

Presidentship of the Malur Town Municipal Council

Q No 135

Mr K SUBBIAH SETTY With reference to answer to (a) may I know which are the municipalities which enjoy the privilege of electing their own non-official presidents ?

MR H V NARAYANA RAO The Town Municipalities of Hassan, Chitaldrug, Davangere, Chikballapur, Tiptur, Tumkur and Nanjangud and the Bangalore City Municipality

MR K SUBBIAH SETTY Why is it that this privilege is not given to other town municipalities ? What is the principle adopted in extending this ~~xxxxxxxxxx~~ privilege to these municipalities?

MR H V NARAYANA RAO Those municipalities passed resolutions in this behalf and submitted them to Government for their sanction Subject to certain conditions, this privilege was granted to them

MR K SUBBIAH SETTY What are those conditions?

MR H V NARAYANA RAO It is not possible to say Each case is considered on its own merits

MR K SUBBIAH SETTY ~~Can we not know what~~ What is the principle ~~in that case~~ adopted in such cases ?

MR H V NARAYANA RAO When any municipality passes a resolution in this behalf and submits the same to the Government, it will be considered on merits

MR K SUBBIAH SETTY Did not other municipalities also pass similar resolutions and send them up to Government for sanction ?

MR H V NARAYANA RAO Notice

MR K SUBBIAH SETTY How were the resolutions sent up by these eight municipalities worded ?

MR H V NARAYANA RAO ~~XXXXXXXXXXXXXXXX~~ I cannot say

Mr K SUBBIAH SETTY Is Malur Municipality a town municipality or a minor municipality ?

MR H V NARAYANA RAO It is a minor municipality

MR. K SUBBIAH SETTY Was any resolution sent up by this municipality to the effect that it should be given the privilege of electing its own non-official president ?

MR H V NARAYANA RAO Yes

MR. K SUBBIAH SETTY Was not the resolution in order ?

MR K V ANANTARAMAN The resolution was in order, but the conditions there were not conducive to the grant of such a privilege to the municipality

MR K SUBBIAH SETTY What were those conditions ?

MR K V ANANTARAMAN That question does not arise

MR K SUBBIAH SETTY In answer to (d) it is stated that Mr L Vema Reddy was the nominated president of the Municipality for two terms ~~one~~ from May 1934 to March 1937 and ~~the other~~ again from March 1937 to March 1941 Was he a Municipal councillor when he was nominated ?

MR H V NARAYANA RAO Notice

MR K SUBBIAH SETTY Can a person be nominated as president of a municipality/~~where~~ even though he is not a member of the municipal council ?

MR K V ANANTARAMAN That is not a supplementary question

MR K CHENGALARAYA REDDY Had the Malur Municipality been given the power to elect its own vice-president ?

MR H V NARAYANA RAO Yes

MR K CHENGALARAYA REDDY And this privilege was being exercised by the municipality, is it not

MR H V NARAYANA RAO Yes

MR K CHENGALARAYA REDDY Were not non-officials being elected as vice presidents ?

MR H V NARAYANA RAO Notice This question relates to the president of the municipality

MR K CHENGALARAYA REDDY Was not ~~the municipal vice president~~ election to the vice president's place confined to the members of the municipal council ?

MR H V NARAYANA RAO Notice

Chengalaraya Reddy
MR K ~~SUBBIAH SETTY~~ In the municipal council, when there are members who have worked as vice-presidents ~~Such being the case~~, why not the municipality by empowered to elect its non-official own president ?

MR H V NARAYANA RAO; There are other reasons also for this

Chengalaraya Reddy
MR K ~~SUBBIAH SETTY~~ What are they ?

MR H V NARAYANA RAO One of the many reasons is that the Deputy Commissioner has ~~sends a~~ report to the effect that there are no competent men in the municipality ~~xxxxxxxxxxxxxxxx~~

Chengalaraya Reddy ~~SETTY~~
MR K ~~SUBBIAH~~ Are there/not competent men in the municipal council now ? — men who have worked as Vice Presidents —

MR H V NARAYANA RAO Notice

Chengalaraya Reddy ~~SETTY~~
MR K ~~SUBBIAH~~ If there are competent men for the post and if the municipality sends up another resolution in the matter, will the Government consider it sympathetically ?

MR H V NARAYANA RAO It is a hypothetical question

Chengalaraya Reddy
MR K ~~SUBBIAH SETTY~~ Has not a representation been received recently ~~already~~ in this behalf ?

MR H V NARAYANA RAO No One was received in February last

Chengalaraya Reddy
MR K ~~SUBBIAH~~ When was the municipal council reconstituted newly ?

MR H V NARAYANA RAO On 1st March 1941

MR K CHENGALARAYA REDDY After the council was reconstituted, was any resolution received th this effect ?

MR K CHENGALARAYA REDDY Which are the municipal councils that said that they did not want this privilege of electing their own presidents?

MR H B GUNDAPPA GOWDA Recently, Nanjangud Municipal Council has said so

MR K CHENGALARAYA REDDY, Are there any other instances or is this a solitary case ?

MR H B GUNDAPPA GOWDA Two or three other municipalities also have expressed the same opinion, viz , Saklespur, Shimoga, etc

MR K CHENGALARAYA REDDY If the municipalities request for the grant of this privilege to them of electing their own Presidents, will the Government refuse ?

MR H B GUNDAPPA GOWDA Not generally

MR. K CHENGALARAYA REDDY When the privilege was extended to the District Boards, what was the policy adopted ?

MR H B GUNDAPPA GOWDA Government extended the privilege to a few of them to begin with and when they found that

the scheme worked well, they extended it to all the remaining district boards

MR K CHENGALARAYA REDDY The Minister was the President of the District Board,Hassan Can he enlighten the House whether this privilege was given to the Hassan District Board after they sent up a resolution in this behalf or whether action was taken suo moto by the Government in the matter ?

MR K V ANANTARAMAN I do not think this is a legitimate supplementary question

MR K CHENGALARAYA REDDY Because the point was mentioned that the municipal councils should ask the Government for granting them the privilege of electing their own Presidents, I am putting this question

MR K V ANANTARAMAN I do not think there is any principle in refusing We are not anxious to deny this privilege to the local bodies On the other hand we are anxious to empower as many local bodies as possible to elect their own President But in the case of some, local conditions hamper the achievement of this object

MR K CHENGALARAYA REDDY There are 80 and odd municipalities in the State In view of the recommendations of the Reforms Committee on this matter and the orders of the Government thereon, will the Govetn ment examine the cases of all these municipali-ties and give them the privilege of electing their own non-official presidents?

MR H B GUNDAPPA GOWDA Government have to

consider how each one of these municipalities are working and if there are competent men available for discharging the responsibilities of the post of the president in the local ~~bodies~~ areas Even if the Government are anxious, there are certain difficulties in the way. All the same the policy of the Government has been to give this privileges in the areas where the conditions warrant

MR K CHENGALARAYA REDDY If so, will the Government take upon themselves to examine this question without waiting for resolutions from the various municipalities ?

MR H B GUNDAPPA GOWDA Government do not want to take any initiative in the matter unless the opinion of the municipalities is received, because forcing any decision on them would be contrary to the principles of local self government Also even granting that the Government pass an order to this effect, in certain municipalities it may not be practicable to ~~work this~~ adopt this principle

MR K CHENGALARAYA REDDY Will the Government consult the municipalities in the matter and find out what their opinion is ?

MR H B GUNDAPPA GOWDA When they have the privilege already, the institutions must try to exercise it themselves

MR K V ANANTARAMAN If the municipalities are so anxious to exercise this privilege, they might ~~the~~ ask ~~the~~ Government for it

MRS H S MADHAVA RAO Are the Government aware

that ~~when there during the period of the~~ during the period in which there were non-official nominated presidents, certain things went wrong in the municipality and that the elected members of the Council therefore wanted to have only nominated presidents ?

MR H B GUNDAPPA GOWDA Yes That is the reason why the present practice is being adopted, viz , of waiting till resolutions are received ~~from~~ from the municipalities

MR M N JOIS How many members of the Nanjangud Municipality were against the granting ~~of~~ the privilege ~~of electing its own President~~ to the said municipality ?

MR H B GUNDAPPA Gowda It is not possible to say
